Easter Egg Hunt and Trail Clean up Recap – Trini. About ½ doz. at trail clean up, with overlap from other groups. Much better looking now! Easter egg hunt also went well.

Clock Grant /MNLG Mini Grant: almost a year now. The Mini Grant asks more specific questions now. We have one year left on the clock grant. Still need make arrangements with the Park dept. about upkeep. We need to find the clock we want first, to communicate with the Park dept. We need to aggressively fund raise now. Roxanne promises that she will explore options on the clocks, by next month. Erik drew a picture of a clock/thermometer, to be put up at the Band concerts. Cheryl has offered to help with fundraising ideas. We have about \$7000 available, might need up to \$25,000. Erik's "Rock around the Clock" dance theme was interesting! Erik, Roxanne, and Brittany have been on a clock committee, but have been struggling. Andrew is willing to be on the committee as well.
